

MAISON

Richard Emerson, Known as the Godfather of Craft brewing in New Zealand. Starting up his own brewery in Dunedin in 1992 Every cent was precious so he borrowed, begged or repurposed wherever he could. His first brew - London Porter, was ready for market 1993, to this day it is stil Emersons flagship dark beer.

TASTING NOTES

Saison is a farmhouse ale, first brewed in the French-speaking part of Belgium. It means season. So we cleverly made it one of our seasonal releases. The effervescence, fruit and spice combine with the complex yeast to create a flavour that will continue to evolve in the bottle. Mason, the brewer, did such a good job, we sort of named it after him.
