

Misty Cove wines draw from the unique environmental elements that our New Zealand wine regions have to offer. The unique combination of our soils and climatic conditions fuse together to produce lush, aromatic white wines and intensely flavoured red wines. We have fused old world wine making values and techniques with modern technology that allows us to produce wines that have incredible body, character and charm.

## Tasting Notes

Misty Cove's Landmark Chardonnay is deeply influenced by old world winemaking techniques. Lovingly handcrafted in small batch quantities, we crafted this wine to reflect the "Landmark" – the attributes and characteristics of the Fareham Lane vineyard from which it originated.
