

West Coast Red IPA 6% ABV

At Three Boys Brewery we personally tend each small-scale brew, right from selecting the best malt and hops until it leaves the brewery. Our beers are a living product; not filtered and not pasteurised - just as nature intended. Our aim is simple: finest quality beer, finest possible taste.

Our beers are brewed, bottled, and canned on site so you can guarantee quality and freshness every time.

Tasting Notes:

Mirroring the West Coast of the good ole U.S. of A. this fresh little number is bound to delight. With a strong fresh citrus and sweet tropical fruits dance in your mouth and combine with caramel and toffee to wrap it all together.
