

Misty Cove wines draw from the unique environmental elements that our New Zealand wine regions have to offer. The unique combination of our soils and climatic conditions fuse together to produce lush, aromatic white wines and intensely flavoured red wines. We have fused old world wine making values and techniques with modern technology that allows us to produce wines that have incredible body, character and charm.

Sauvignon Gris 2020

The Winemaking

Misty Cove's Landmark Sauvignon Gris is deeply influenced by old world winemaking techniques. Lovingly handcrafted in small batch quantities, we crafted this wine to reflect the "Landmark" – the attributes and characteristics of the Rapaura, Selmes Road vineyard from which it originated.

2020 Marlborough Sauvignon GRIS

Spicy and highly textured, our Landmark Sauvignon Gris has notes of stone fruit with delicate honey undertones. The palate further supports crisp citrus flavours on finely balanced acidity.

Hand harvested and gently processed into the winery; the juice was fermented at cool temperatures to allow the natural flavours to shine. The wine was allowed to age gracefully on yeast lees for 3 months before being lightly filtered and bottled in July 2020.

AWARDS / REVIEWS

It's beautifully ripe and lifted on the nose showing Granny Smith apple, mango and kaffir lime aromas, leading to a well-focused palate that's refreshing and lingering. The wine offers excellent fruit purity and fine texture, making it delightfully drinkable. At its best: now to 2023. **Wine Orbit: 91 points**
