## Pinot Gris 2012

**Varietal:** Pinot Gris

**Location:** Waipara, Canterbury

**Nose:** Softly full and gentle aromas of ripe pears with honeysuckle richness and fine, mineral notes. Savoury yellow stonefruits and subtle nuances of nuts emerge and are complexed by lifted florals, the nose unfolding plenty of detail and interest.

**Palate:** Flavours of pears, stonefruits and honey expressed with purity, interwoven harmoniously with a rounded, weighty and dense palate. There is good power and body, the mouthfeel near unctuous, the richness enhanced by soft acidity, and a little alcohol generosity also adding to the presence. The flavours and textures are integrated and balanced and carry through to a sustained finish. This is a subtly honied, rich and softly rounded off dry Pinot Gris

**Suggested Foods:** Pate, antipasto and Mediterranean fare.

**Wine Maker:** Kirk Bray

**Awards:**

5 Stars – Raymond Chan
