

## LONDON PORTER

Richard Emerson, Known as the Godfather of Craft brewing in New Zealand. Starting up his own brewery in Dunedin in 1992 Every cent was precious so he borrowed, begged or repurposed wherever he could. His first brew - London Porter, was ready for market 1993, to this day it is stil Emersons flagship dark beer.

### TASTING NOTES

Porter is the oldest commercially brewed style and London Porter was Emerson's first beer. Dark, dry and mellow with some hoppy characteristics, pours a deep brown colour with reddish tints.

The aroma is toasty, with a hint of sweetness and some earthy hop notes. Firm-bodied but not heavy, with a creamy texture, the dryish palate is full of roasted malt, coffeeish notes and a sustained bitterness.
