

Pinot Gris 2011

Varietal: Pinot Gris

Location: Cromwell Basin, Central Otago

Palate : Along with attractive aromas of ripe golden peaches, nectarines and dried apricot, the bouquet exhibits typical Central Otago Pinot Gris citrus, apple and quince characters with mineral undertones. Some residual sugar enriches the palate, along with a thread of natural acidity.

Food Suggestions:

Partial skin contact and oak fermentation adds texture, making this a great match for food such as smoked salmon or eel.

Winemaker: Carol Bunn
